YMCA NELSON COUNTY CHILD CARE RATES 2017 - 2018

Enrollment is based on a five-day week. This includes all childcare during the school calendar year. We are willing to work with parents whose schedules fluctuate by the use of a punch card. Please read the information about punch cards provided.

After School Program

After school runs from the time school is dismissed until 6:00 p.m. The YMCA School Age program operates on all early dismissals; this program operates from the first day of school until the last day of school. This program is for children ages **5 – 12**.

Payments for the YMCA are due every week of the school year, regardless of holiday breaks or vacation. The YMCA will provide "All Day Program" care from 7:00 a.m. - 6:00 p.m. at no additional fee.

Parents are responsible for all payments whether or not their child attends. Fees are not reduced for days of illness, early pick-up, absences or vacations. If a child is absent due to an extended illness, with a physicians note, the parents will be credited days missed.

All payments will be set up for our Automatic Bank Draft starting the second week of school. Each family needs to have two separate methods of drafting. The YMCA will deduct program fees from your bank account each Monday the week of services.
